27th January, 2025

Subject: APPROVAL FOR SSC (ADVANCE) LEVEL QUALIFICATION IN REFERENCE TO THE LETTER NO. F. SO(B-I)/U&B/ALL-BOARDS/11-26/2026 DATED JANUARY 24TH 2025 FROM UNIVERSITIES AND BOARDS DEPARTMENT, GOVERNMENT OF SINDH.

Dear Sir,

I have been directed to refer to the above captioned subject and to intimate about the proposal submitted by Zia ud Din Examination Board (ZUEB) to allow the offering of the SSC (Advance) level examination to its affiliated schools. The matter was placed before the IBCC Forum during its 180th meeting for deliberation.

2. The sub-committee constituted by the Forum has principally agreed to the proposal; however, highlighted fulfilling certain prerequisites before the ZUEB can proceed with affiliating schools and conducting examinations for the proposed qualification which include:

- i. If the syllabus being adopted is of IGCSE or Ofqual regulated qualifications equivalent to IGCSE, then the scheme of studies and curriculum of the SSC advanced qualification should be approved by the relevant curriculum authority.
- ii. ZUEB will also apply to ECCTIS, UK, and other international bodies for admission in countries around the globe.

3. Please note that while the IBCC Forum supports the process, it is not within the mandate of the IBCC to approve new qualifications. However, the IBCC attests the documents of approved qualifications issued by member BISEs of the IBCC Forum.

4. Thank you for understanding and with profound regards,

Subject: PRE-REQUISITE QUALIFICATION FOR ADMISSION AT HSSC PRE-MEDICAL & PRE-ENGINEERING GROUP AS PER POLICY;

Reference is made to your office letter No. IBCC/181-SC/7-1/2025/605, dated 2nd June 2025, on the subject cited above.

In accordance with sub-section 2(f) of Section 9 of the Pakistan Medical and Dental Council (PM&DC) Act, 2022, the PM&DC has formulated the "PM&DC Medical and Dental Undergraduate Education (Admissions, Curriculum and Conduct) Policy and Regulations, 2023" for the conduct of admissions to medical and dental colleges across Pakistan.

These regulations outline the following admission criteria and merit formulation:

MDCAT	50% weightage
F.Sc (Pre-Medical)/HSSC/Equivalent	40% weightage
SSC/Matriculation/Equivalent	10% weightage

It is pertinent to note that while it is mandatory for candidates holding F.Sc / HSSC / Intermediate or equivalent qualifications to have passed with a Pre-Medical group, there is no such requirement at the SSC / Matriculation or equivalent level.

In view of the above, the IBCC may proceed accordingly.

6th February, 2025

Subject: RESPONSE TO YOUR LETTER NO. ZUEB/SEC/IBCC/ISL/0012/2025
DATED JANUARY 20TH 2025

Dear Sir,

With reference to your letter dated January 20th 2025, seeking guidance on different scenarios, it is informed that the Inter-Boards Coordination Commission (IBCC) Forum, during its 180th meeting, constituted a sub-committee to deliberate on the matter referring to the issuance of integrated marksheet to a student who passed HSSC (Pre-Engineering) from the Board of Intermediate Education (BIE), Karachi, and subsequently appeared in additional subjects at the HSSC level (Pre-Medical) from Ziauddin University Examination Board (ZUEB) and formulate recommendations.

2. The sub-committee, in its meeting held in December 2024, has recommended that all boards should prevent students from taking examinations in multiple streams (additional subjects) or seeking improvements through different examination boards in the future. The recommendations of the sub-committee and the scenarios you have referred to in your letter will be placed before the IBCC Forum in its forthcoming meeting for consideration. Once the Forum reaches a resolution, the final decision will be communicated to all member boards for implementation.

3. In light of the above, it is advised to defer admissions of the students in scenarios for which guidance was sought until the final resolution of the IBCC Forum is communicated. This will ensure uniformity and compliance with the forthcoming decision of the Forum.

4. Thank you for your attention to this matter and with profound regards.

Subject: NEW GRADING FORMULA FOR ALL EXAMINATION BOARDS OF THE COUNTRY

Respected Madam,

I would like to inform that IBCC Forum in its 174th meeting held on 24-25 November, 2022 at Lahore has unanimously approved to discontinue reflecting the marks obtained on the transcripts and certificates of SSC and HSSC. Instead, the assessment will be recorded in the form of grades, GPA & CGPA to stop unhealthy race among students, parents and institutions for obtaining maximum marks. This is also intended to safeguard the students from psychological pressure of society.

2. The new grading scheme is based on 10 point scale as given below and shall be implemented completely by all the examination boards of the country by the year 2025:-

Letter Grade	In Percentages	Description	5.0 Scale (GPA)
A++	95% to 100%	Exceptional	5.0
A+	90% to 94%	Outstanding	4.7
A	85% to 89%	Excellent	4.3
B++	80% to 84%	Very Good	4.0
B+	75% to 79%	Good	3.7
B	70% to 74%	Fairly Good	3.3
C	60% to 69%	Above Average	3.0
D	50% to 59%	Average	2.0
E	40% to 49%	Below Average	1.0
U	Less than 40%	Unsatisfactory	0

3. Therefore, your goodself is kindly requested to direct all the public and private sector universities to make necessary arrangements for evaluating merit for admission in the light of approved grading formula of IBCC.

4. The implementation plan with year wise example transcript is annexed for information, please.
